Pure Provence soaps are crafted in the South of France using 83-86% USDA NOP certified ingredients. They are free of any preservatives, colorants, or chemicals and blended with essential oils or natural fragrance coming from botanicals grown in the region. Certified organic Shea Butter is added to leave your skin nourished and moisturized. Our soaps are triple milled to ensure a long lasting bar with a luxurious lather.

No BHT, SLS, Parabens, Synthetic Fragrance, or Phthalates.
